Topic Tyndall National Institute International Energy Research Centre

Power play

Pádraig Lyons, International Energy Research Centre (IERC), at Tyndall National Institute, John Mullins, Amarenc Solar, with Shafi Khadem, Sandipan Patra, and Rohit Trivedi, all IERC, at the announcement that new research from Tyndall's IERC will reduce dispatch downtime of PV power plants in Ireland. The IERC is exploring ways to reduce the amount of time that renewable energy plants have to stop producing energy, due to curtailments or constraints.
